# OUR BRIDGE

To a cute girl  
with a wonderful

Jerry Harritt

We, the students of Whitmer, think of our school as "58" the bridge over which we travel on our way to adulthood. Whitmer is a strong bridge of well-rounded education, interested faculty members, varied activities, and lasting friendships. As we cross our bridge, we become prepared to take our place in the community, the nation, and the world.

# OUR BOARD AND SUPERINTENDENTS

Mr. Gerald Eldridge, Mr. Vernon Browne, Mr. Orra Benton, Mr. Clyde Elder, Mr. Emery Meyers, Mr. Earl B. Driver, Mrs. Janet Hopkins, Mr. Homer Nightingale

The members of the Board of Education of Washington are men and women who keep the welfare and interests of our students always foremost in their administration of our school. They are always concerned with obtaining qualified teachers, modern facilities, and the finest of educational tools. Through their endeavors we enjoy outstanding educational opportunities.

Mr. Earl Driver is our competent superintendent

of schools in Washington Township. His efforts are constantly directed at raising the standards of our schools to maintain the level of our neighboring schools.

Mr. Kenneth DeGood assumed the position of superintendent of Lucas County schools when Mr. Harold Ryder retired last year. Mr. DeGood has instituted some new educational policies that will be of great benefit to the students of Lucas County.

Mr. Kenneth DeGood

Mr. Earl B. Driver

# OUR PRINCIPAL AND OUR DEANS

Our principal, Mr. Harvey Davis, is one of the busiest persons in our school, yet he always has time to stop in the hall and give a friendly pat on the back or exchange a little joke with one of our students. His day is filled with many administrative details. His office has a steady flow of students or faculty members constantly coming in and going out. He finds time to attend student activities. You see him smiling in the front row of our assemblies, cheering on our team at our athletic events or dancing at a prom with his pretty wife.

Principal: Mr. Harvey Davis

One of the most familiar faces seen around the halls of Whitmer is that of Mrs. Irma Schlegel. Whenever you see the Dean of Girls, she has a smile on her face. No matter how busy she is, she is always willing to help us individually with our problems. Her common-sense approach has enabled many of us to set our footsteps in the right path toward becoming an adult.

Mr. Robert Shauck, as our new Dean of Men, has been both helpful and inspiring to our students. We are grateful to him for understanding our problems and aiding us in making adjustments to them.

Dean of Girls: Mrs. Irma Schlegel

Dean of Boys: Mr. Robert Shauck

The guidance and teaching of our faculty throughout the year has been both helpful and encouraging to us as students. We would like to express our thanks to them for all they have done for us this school year and all they will do in the

future. Few students realize how much time and energy our faculty devote to us both during school hours and after school for our extra-curricular activities.

Announcers: Jim Stagg, Bob Wheat, Kay Hehl

Secretary to Mr. Davis: Mrs. Elsie Miller

Co-op: Barbara Morrow, Judy Smith, Judy Morrette, Judy Turner, Paula Snyder

Our school day is always begun in a calm and thought-provoking atmosphere by a prayer given by announcer, Bob Wheat. Kay Hehl and Jim Stagg take care of the announcements for the day's activities.

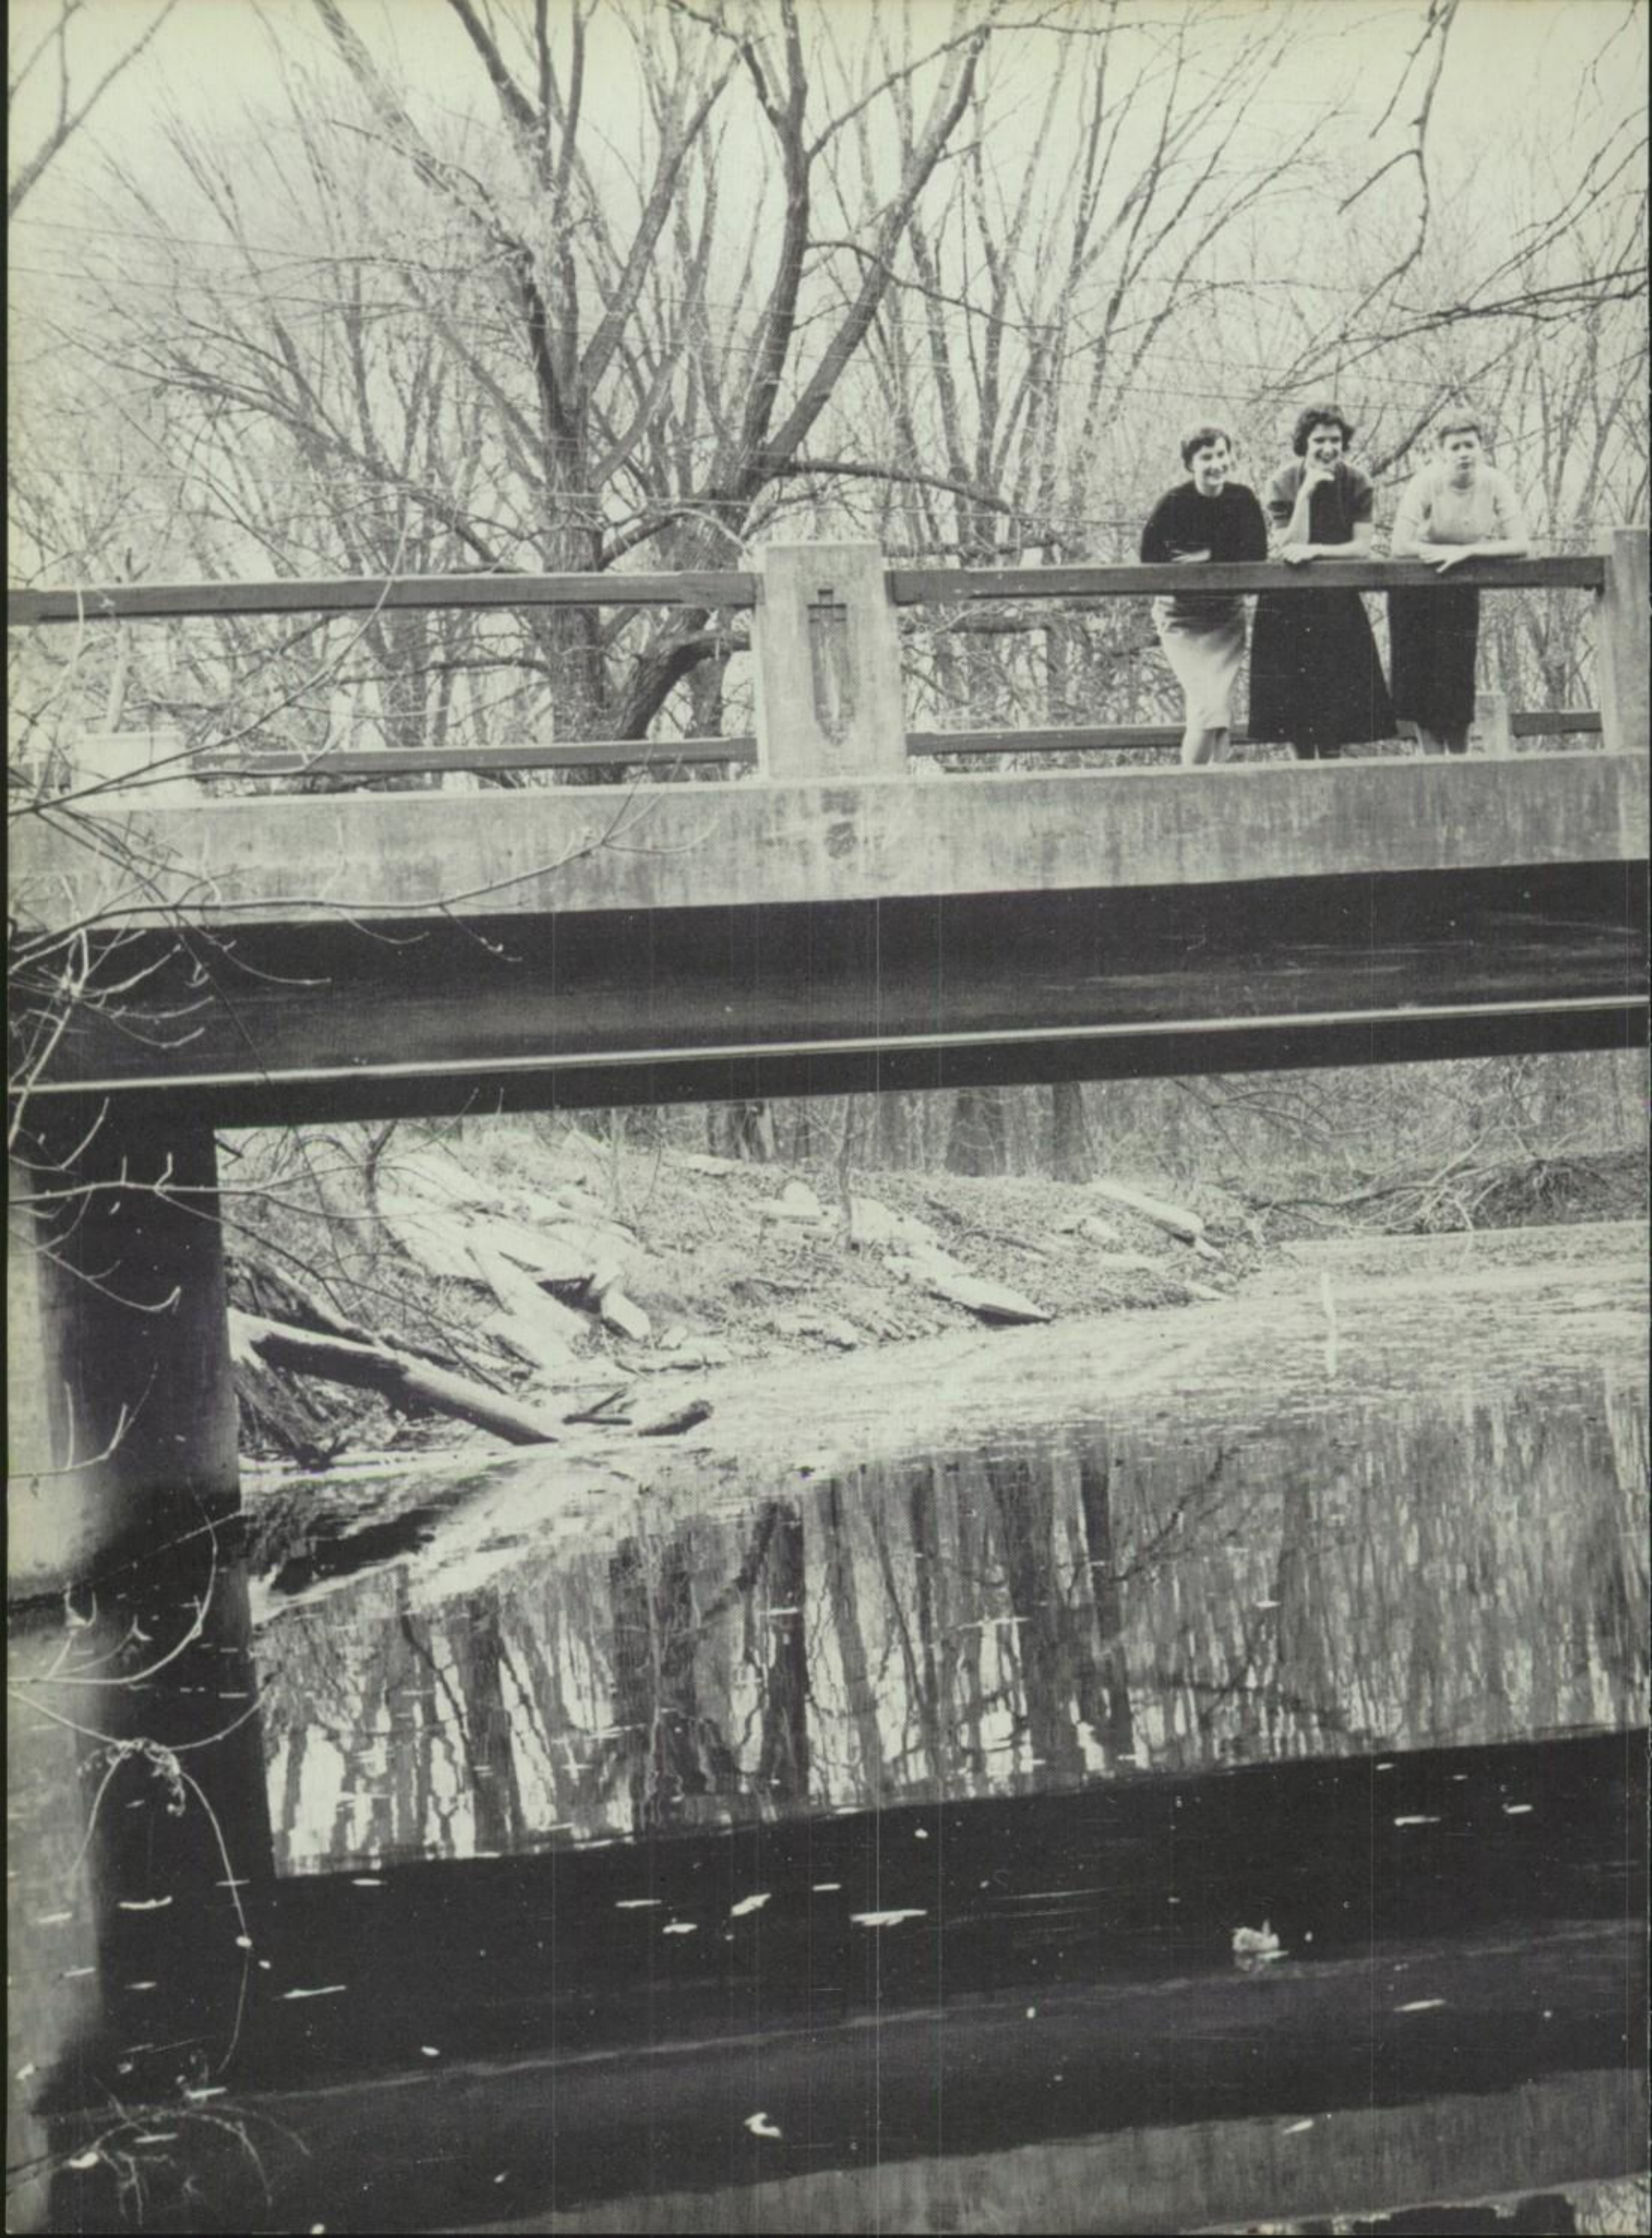

Mrs. Elsie Miller, secretary to Mr. Davis, manages to run his office efficiently and systematically in spite of the steady stream of traffic that moves in and out of her room all day.

The co-ops are the right hands of the deans and principal. They do the typing, run errands, and do the filing when it is necessary.

CLASS ADVISOR

Our sophomore year was difficult at first but when the upperclassmen offered their help and advice, we settled down to make Whitmer our home. We had the honor of choosing an attendant for the annual Homecoming and also making our first float, portraying L'il Abner. We gave our assembly "Club Tropicana" later in the year.

The junior year was even more exciting. In September we ordered our class rings, made the winning float, and chose an attendant for Homecoming. Then December brought the Christmas assembly. In February we had our first prom which was held in the Hippodrome Ballroom with a beautiful Valentine background. April came and we presented our Junior Play, "The Bishop's Mantle." We ended the year by giving a Junior-Senior party.

September, 1956, rolled around only too rapidly.

This, our last year, was to bring even more memories into our lives. There were senior pictures to be taken and name cards to be passed out. This year we had the opportunity of electing a Queen for Homecoming and we won the trophy again for our float. We produced our Senior Play, "Meet Me In Saint Louis", which drew the attention of many students and parents. As the year grew to an end, we had our last activities in Whitmer to look forward to: the Senior Prom, Senior Day, Baccalaureate, and Graduation.

As our high school days at Whitmer drew to an end, we had cherished memories of three wonderful years mixed with learning, activities, proms and many other events. We, the Senior Class, wish to extend our many thanks to Mr. Foster, our class advisor whose patience and guidance helped us to achieve our goals.

For our second year at Whitmer the class chose as their officers: Paula Snyder, Pat Montoni, Chet Frisinger, Donna Korvas and Dan Apling.

The Juniors had an excellent year with many outstanding activities. All of this was done with the help of our advisors, Mrs. Barbara Nightingale and Mr. Philip Alvarado. The activities that stand foremost in our minds were the building of the Junior float in October; the Junior Prom, held in February; the Junior Assembly; the Junior Play; and finally the Junior-Senior farewell party.

Our class has many memories of pleasure as well as studies.

Mr. Alvarado  
Advisor

Bob Rhodes, Donna Korvas, Pat Matuszynski, and Carol Heil formed the committee which raised money for our class.

## CLASS OF '59

Advisors: Mrs. Shockey and Mr. Knepper.

**Seated:** Karl Kaseman, Vice President; Judy Turner, Treasurer; Pete Elson, President; Donna Patrick, Secretary; Steve Winners, Sergeant-At-Arms.

Last fall we entered Whitmer, beginning our high school career as sophomores. With the help of our class advisors, faculty, and upperclassmen, we soon found ourselves getting into the swing of school life.

We created a float for the Float Contest sponsored by the Sideline Quarterbacks. In November came the election of a candidate for Homecoming Queen. We raised money for the class treasury by holding two bake sales.

The second semester found us hard at work to produce the Sophomore Assembly. As a climax to our first year at Whitmer, we sponsored an early spring dance.

Our sincere thanks go to Mrs. Shockey and Mr. Knepper, our class advisors.

## LIVING IN LANGUAGE

N. Reimschuessel, J. Bowles, D. Bowman, D. Sheffield, D. Cornell, S. Faller, C. Nelson, N. Schultz, J. Bryan, J. Rutschow, K. Becker, and B. Reimenschneider are busy setting up the stage.

D. Knepper being run through by W. McCartney as J. Askren, R. Rhodes, and N. Lehman stand guard in Latin II class.

Working on the stage is only a part of Mrs. Lewis' public speaking classes. Along with displaying their talents in one-act plays, her classes take part in many interesting panel discussions. In the speech classes, one may gain poise and confidence along with knowledge in many subjects.

Et tu, Brute. These Latin words are familiar ones to Mrs. Hayes' Latin classes. The study of Caesar is the highlight of the Latin class, and is filled with intense interest as any Latin student will verify. Latin also strengthens the correct usage of English grammar and gives us the basis for many other studies.

Buenos dias, amigos. Como esta usted? These are the words with which Mrs. Nightingale and Mr. Alvarado greet their Spanish classes. Spanish students learn to develop an appreciation of Spanish culture as well as to understand the language. It's fun to go to Spanish class to learn about Spanish customs and history. Through this study, we gain increased understanding of people of another country, furthering the development of world peace.

P. French and J. Horvath think that G. Kuehnle looks "muy guapo" in his serape.

## AND IDEALS

P. Harrell, B. Clausing, B. Bellair, J. Gillespie seem to find the English projects very interesting.

SILAS MARNER, JULIUS CAESAR, MOBY DICK, OUR TOWN, AND MACBETH are well-known titles to all our students. The English courses aim at instilling in our students an appreciation of the best in literature, poetry and drama as well as teaching a better understanding of basic English grammar. During a student's junior year, he is taught how to write a term paper and in doing so, conducts research on his future vocation. Senior English is primarily concerned with preparing the student who plans to attend college. This course stresses original writing and the appreciation of English literature.

B. Haglund, S. Kron, J. Conover and M. Rhoads are engrossed in their term papers.

"My parents won't let me go steady." Statements like this are heard often in our course on Family Living. Problems in the field of dating and marriage are talked over in class. Our students are helped to solve these problems by achieving an understanding of the viewpoints of parents and other members of society. Family Living offers young people material that will help them to gain a perspective on life adjustment.

Mr. Alvarado looks on approvingly as the Family Living class concentrates on the current problem.

Perfection is what the Whitmer High School A Cappella choir and its capable director, Mr. Clyde Brown, strive for, and by working together they are successful in achieving it. Those who have listened to performances of the choir have enjoyed choral music at its finest. In addition to school programs and assemblies, the choir performs in a Christmas program and a spring musical. One of the main events of the year for the choir is participation in the Lucas County High School Music Festival. The choir also sings for various local organizations and gives a program for some of the grade schools as part of its community activities.

The Girls' Glee Club is made up of sophomore girls who in their junior and senior years become part of the A Cappella choir. The main activities of the Glee Club are performing in the Christmas program and the spring musical.

For the journalism students on the Oracle year-book staff, there is never a dull moment. Picture taking, copy and headline writing, meeting deadlines, and selling ads are all part of the activities of the twenty-five students on the staff. Although the class must work at great speed and under pressure, it is with real satisfaction and pride that the Oracle staff views the finished product. For any student entertaining the thought of becoming a journalist, the class offers excellent experiences and knowledge.

## FOR BETTER CITIZENSHIP

R. Roberts, B. Wood and L. Regnier study lands conquered by Charlemagne on a map of Europe.

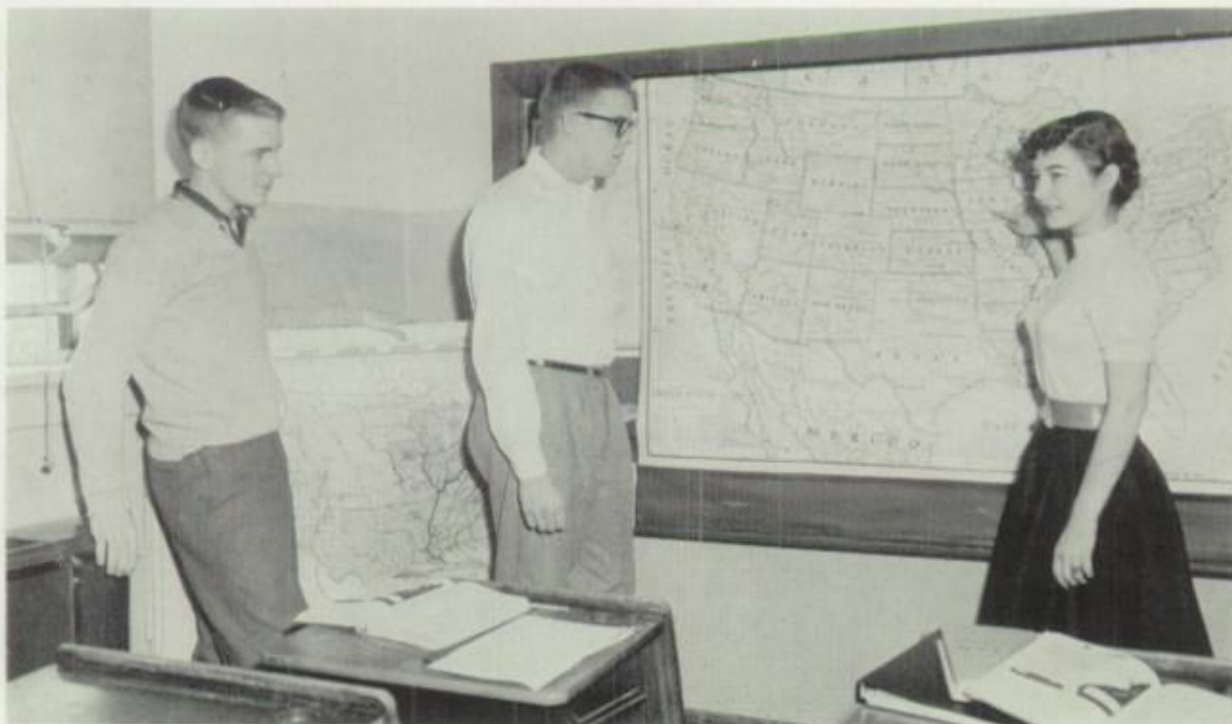

M. Rhoads, G. Godbey and B. Utton examine an interesting illustration of the procedure by which a bill becomes a law in our government.

The purpose of American History is to endeavor through the study of the past to make better citizens in the future, and to make our students appreciate their heritage. The study of historical events throughout the history of our country makes the class an interesting one.

Whitmer realizes the importance of making its students into good leaders of tomorrow. The purpose of Civics is to do this through an understanding of our form of government. In Civics, our students study local, state, and national government. The importance of voting is greatly stressed.

In World History, we study the various countries of the world, emphasizing the correlation of the present with the past, and keeping in mind the various factors which have played a great part in history.

P. Fenn points out a city in Iowa to K. Jacoby and J. Larson.

## TOWARD FUTURE GOALS

B. Vrooman, J. Turner, D. Elg, M. Sullivan, J. Christen, E. Garner and T. McDonald practice their typing skills in a business-like manner.

Typing, shorthand, and bookkeeping are all a part of our business administration curriculum which prepares Whitmer's students for a career in business.. In typing, our students learn the touch system and speed practice. Shorthand teaches knowledge necessary in taking dictation which every secretary must know. Bookkeeping stresses the importance of keeping books in proper order and budgeting. The other business subjects also have a common aim in training our students to be accurate, dependable, and alert in order to succeed in the world of business.

## FOR WHITMER

D. Yeager, J. Huffer, J. Mallett, M. Rhoads, S. Stalder, T. Werr

Our marching band began pre-season training in August to prepare for the football season. The band numbered 56 musicians, 5 majorettes, drum major, announcer, and 5 man color-guard unit. Beginning with the Premier Parade and football contest in Bowling Green, the marching band appeared at all games at home and away on the football schedule (including the overnight trip to Defiance—Ohio, that is!). In addition the band participated in the Toledo University Band Day in the Glass Bowl. Another public appearance that brought recognition to Whitmer was the Annual Christmas Parade led by the Whitmer band in downtown Toledo. Most outstanding and memor-

Mr. Miehl

able of the band activities was the professional quality with which our drum major executed his precision twirling and showmanship. The majorettes attended the Smith-Walbridge Camp for baton twirlers in Indiana.

Mr. Miehl and all his bandsmen express their thanks to the Band Boosters for the financial and moral support given this year. The Band Boosters sponsored Tag Day, operated the concession stands at all home games and supported the Capitol University Band Concert on Sunday, March 31.

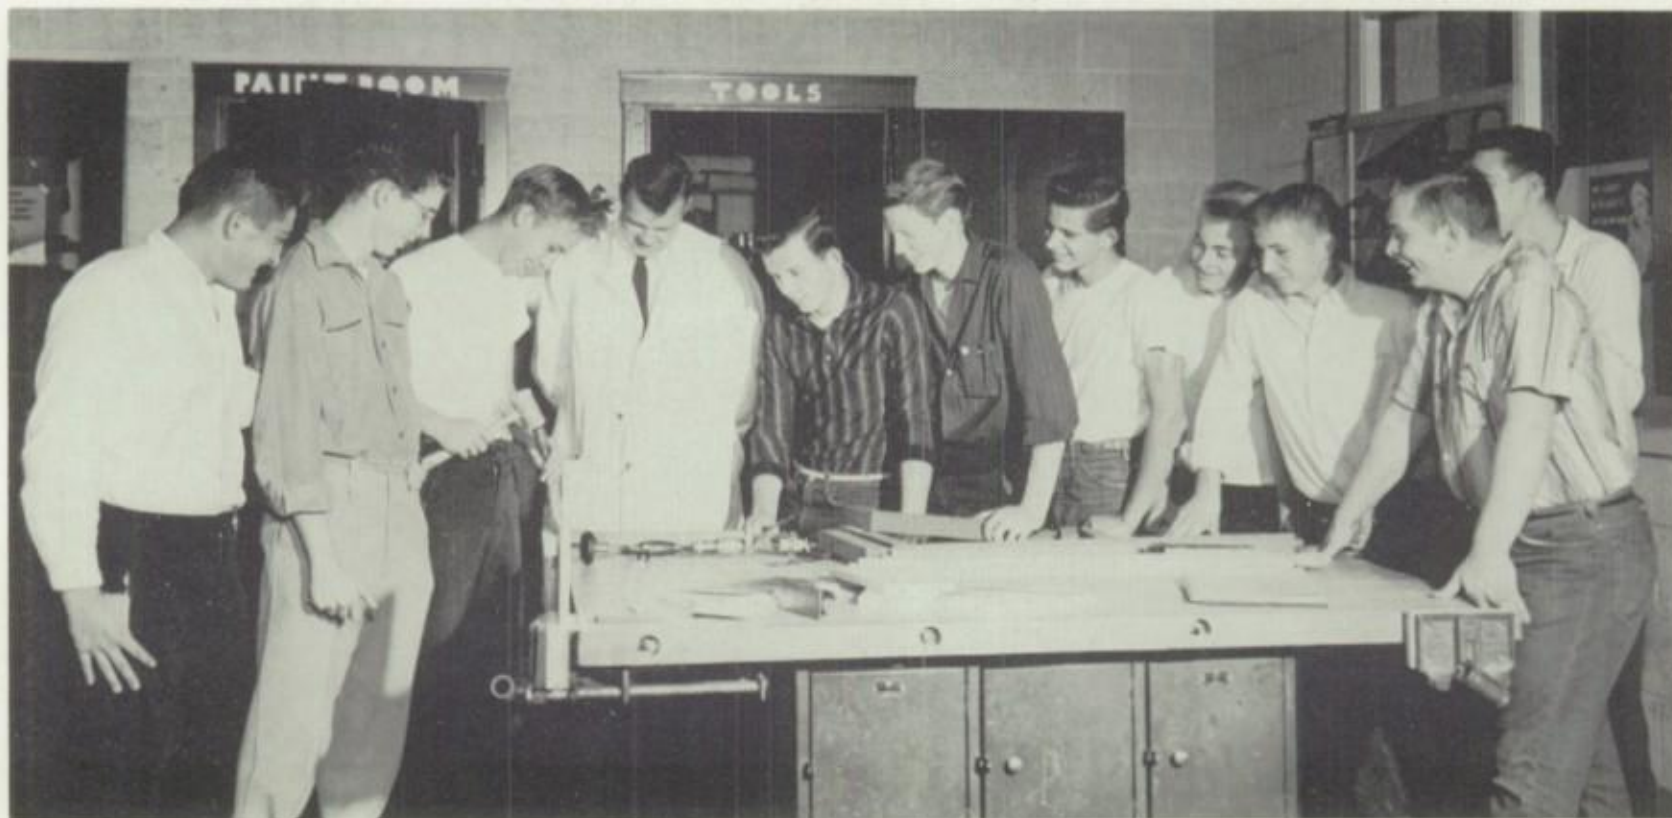

During concert season the band rehearsed four days a week and spent one day studying the theory of music.

**Row 1:** S. Stalder, B. Bristol, O. Herzig, J. Nichols, P. Reisener, C. Mock. **Row 2:** R. Wallace, D. Knepper, T. Kellermeyer, F. Olinger, B. Montgomery, J. White. **Row 3:** B. Baker, D. Nelson, P. Nunamaker, M. Orde, S. Flegle.

Row 1: J. Posadny, D. Crabtree. Row 2: E. Slack, R. Krueger, M. Plotner.

The Woodshop Course which is the basic course in machine woodworking is taught by Mr. Delvin Johnson. The students learn the care and operation of tools along with safety precautions dealing with power tools and machinery. The students also select and complete their own projects.

Mr. Ralph Pritts teaches the classes in mechanical drawing which are concerned with drawing in modern industry and commerce, as well as the design and construction of buildings.

The objectives of the Drivers' Training Course are to develop safety consciousness, encourage safe driving habits, and teach the principles of Ohio driving laws. The students learn to drive in dual-control cars under the direction of Mr. John Hersland.

B. Miller, L. Zillien, Mr. Hersland.

## TWENTIETH CENTURY LIVING

J. Oberle, J. Dellabona, J. Zink, D. Miller, J. Wisniewski, J. Suchy, B. Hayes, J. Saddoris, J. Boschard.

The purpose of Trade and Industry is to teach the student the skills concerned with the machine trade, and to teach a technical knowledge concerning these skills. The machine shop practices actual shop conditions and gives the student a better understanding of the trades. Mr. Thad Speier is the instructor.

In the sewing classes, under Miss Frances Kern, the girls learn the basic processes of sewing, gain a knowledge of different fabrics, and learn to use the attachments of the sewing machines. In second year sewing, the girls work with designing along with their actual sewing.

J. Bambis, D. Fritz, T. Werr, J. Swartz, P. Schiffer

## BOOKS ARE BRIDGES

**Row 1:** Miss Brown, R. Kingsley, E. Heer, M. Bombrys, C. Schulz, G. Saelzler, J. Martin.  
**Row 2:** S. Heffley, J. Whitaker, H. Hunt, G. Kuehnle, F. Folger, B. Holder, R. Graves, B. Glattes, B. Wagner, P. Matuszynski. **Row 3:** R. Halferty, D. Hamilton, J. Rutschow.

Members of Whitmer Library Council are fortunate in taking part in a practical workshop where they learn as they work. Although the main purpose of the Council is to operate the library, the members attend a class in library every Thursday morning, write autobiographies, and evaluate books. On the social side they give a tea every year for parents and teachers, take charge of a candy sale, and present the Book Fair every two years.

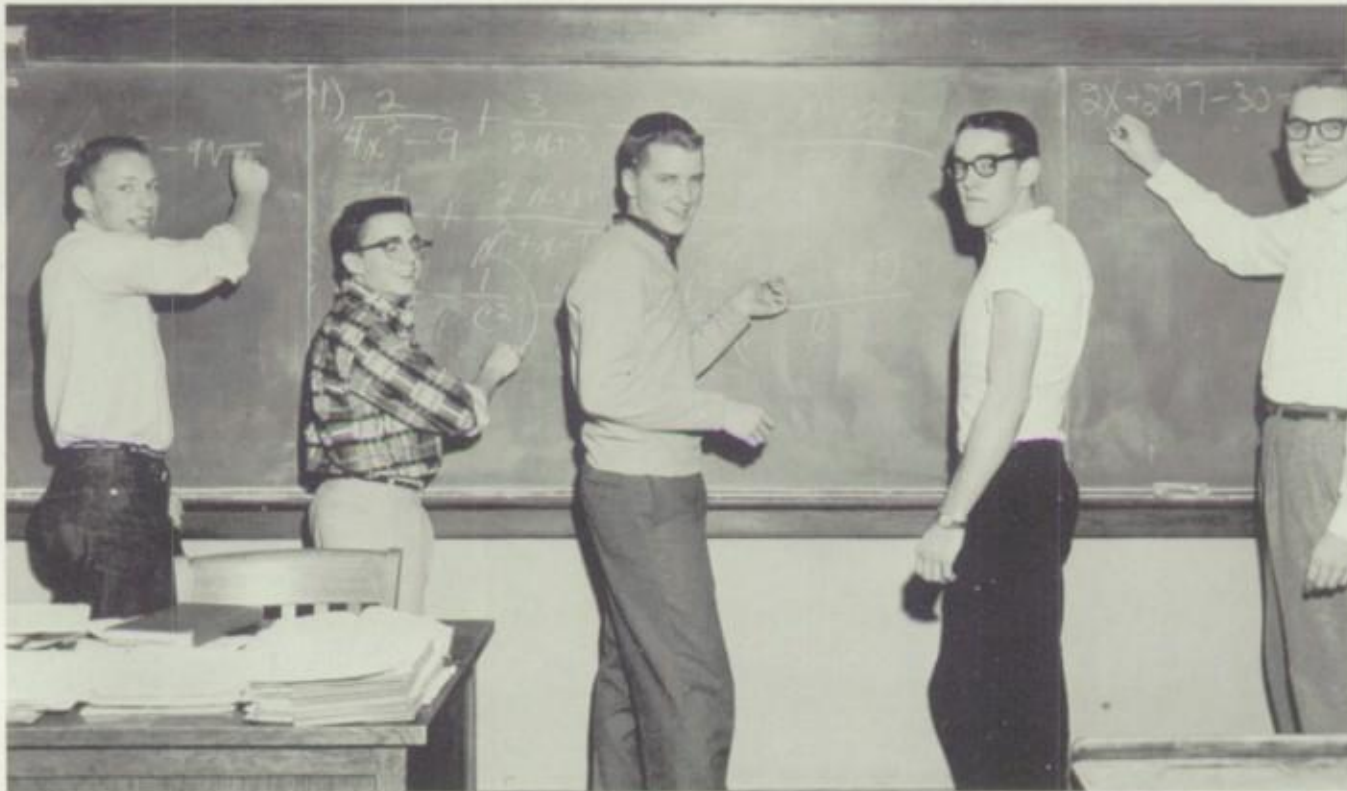

Miss Elizabeth Brown, librarian, preparing posters for the Book Bazaar.

E. Heer shows J. Roberts and M. Richards where to find the Dewey Decimal number.

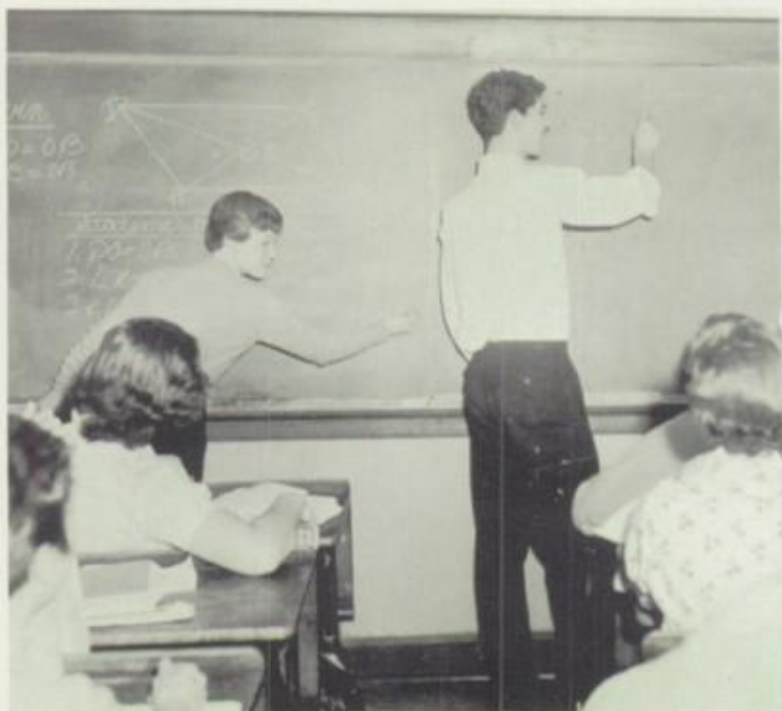

## FIGURES AND ANGLES

D. Nelson, K. Erwin, K. Jacoby, B. Umlauf, and J. Larson do some quick figuring on the board in advanced algebra.

Our students realize more every day how important mathematics is in the modern world. Some will use math only in everyday problems, such as homemaking and budgeting. For others, it will be the key to earning a living in fields of engineering, chemistry, education or mathematics. Through the study of algebra, students learn to understand equations while geometry deals with the measurement of solids, lines and angles. In both these studies, we gain life-long values through the emphasis on correct reasoning and clear thinking.

"Hurrah! He made another basket!" Boys' gym is both interesting and educational. Our boys take part in various sports throughout the year including football, soccer, speedball, basketball, tumbling, and softball. A greatly varied program keeps interest at a maximum. Whitmer is able to boast one of the most well-rounded physical education departments in Ohio.

J. Turner and H. Bowles are intent on a geometrical problem.

The boys shoot for the basket on a typical gym day.

A class of beginning typists keep busy at the keyboard.

**Typing**—Typing will come in handy in any field or vocation. It is a great help to know the art of typing and to be able to type different assignments and reports. In beginners' typing the students learn the touch system and how to type economically.

**Chemistry and Physics**—Chemistry and physics coincide, both being concerned with the composition of matter and various elements of the earth. In both classes, experiments are conducted which give the students a better understanding and a more thorough knowledge of chemical and physical reactions.

Chuck Jones, Arthur Hatch, Bob Haglund, and Dave Hamilton are deep in a principle of physics.

## THROUGH SCIENCE

Dave Scheibel, Rosalie Kucera, Sandra Hutchinson, and Kenneth Knauer seem skeptical about Len Schafer's ability to conduct a chemistry experiment.

This year for the first time Whitmer will conduct a Science Fair. The purpose of this fair is to give the students an opportunity to see the projects made in the science department. The fair will include projects from all the science departments: physics, chemistry, biology and advanced biology.

**Biology**—The purpose of biology is to give students a broader view of scientific knowledge about the processes of life. Every biology student is required to do a project which may be of any form but must be original. Advanced biology is designed for students with a greater interest in science, and is conducted on a laboratory basis.

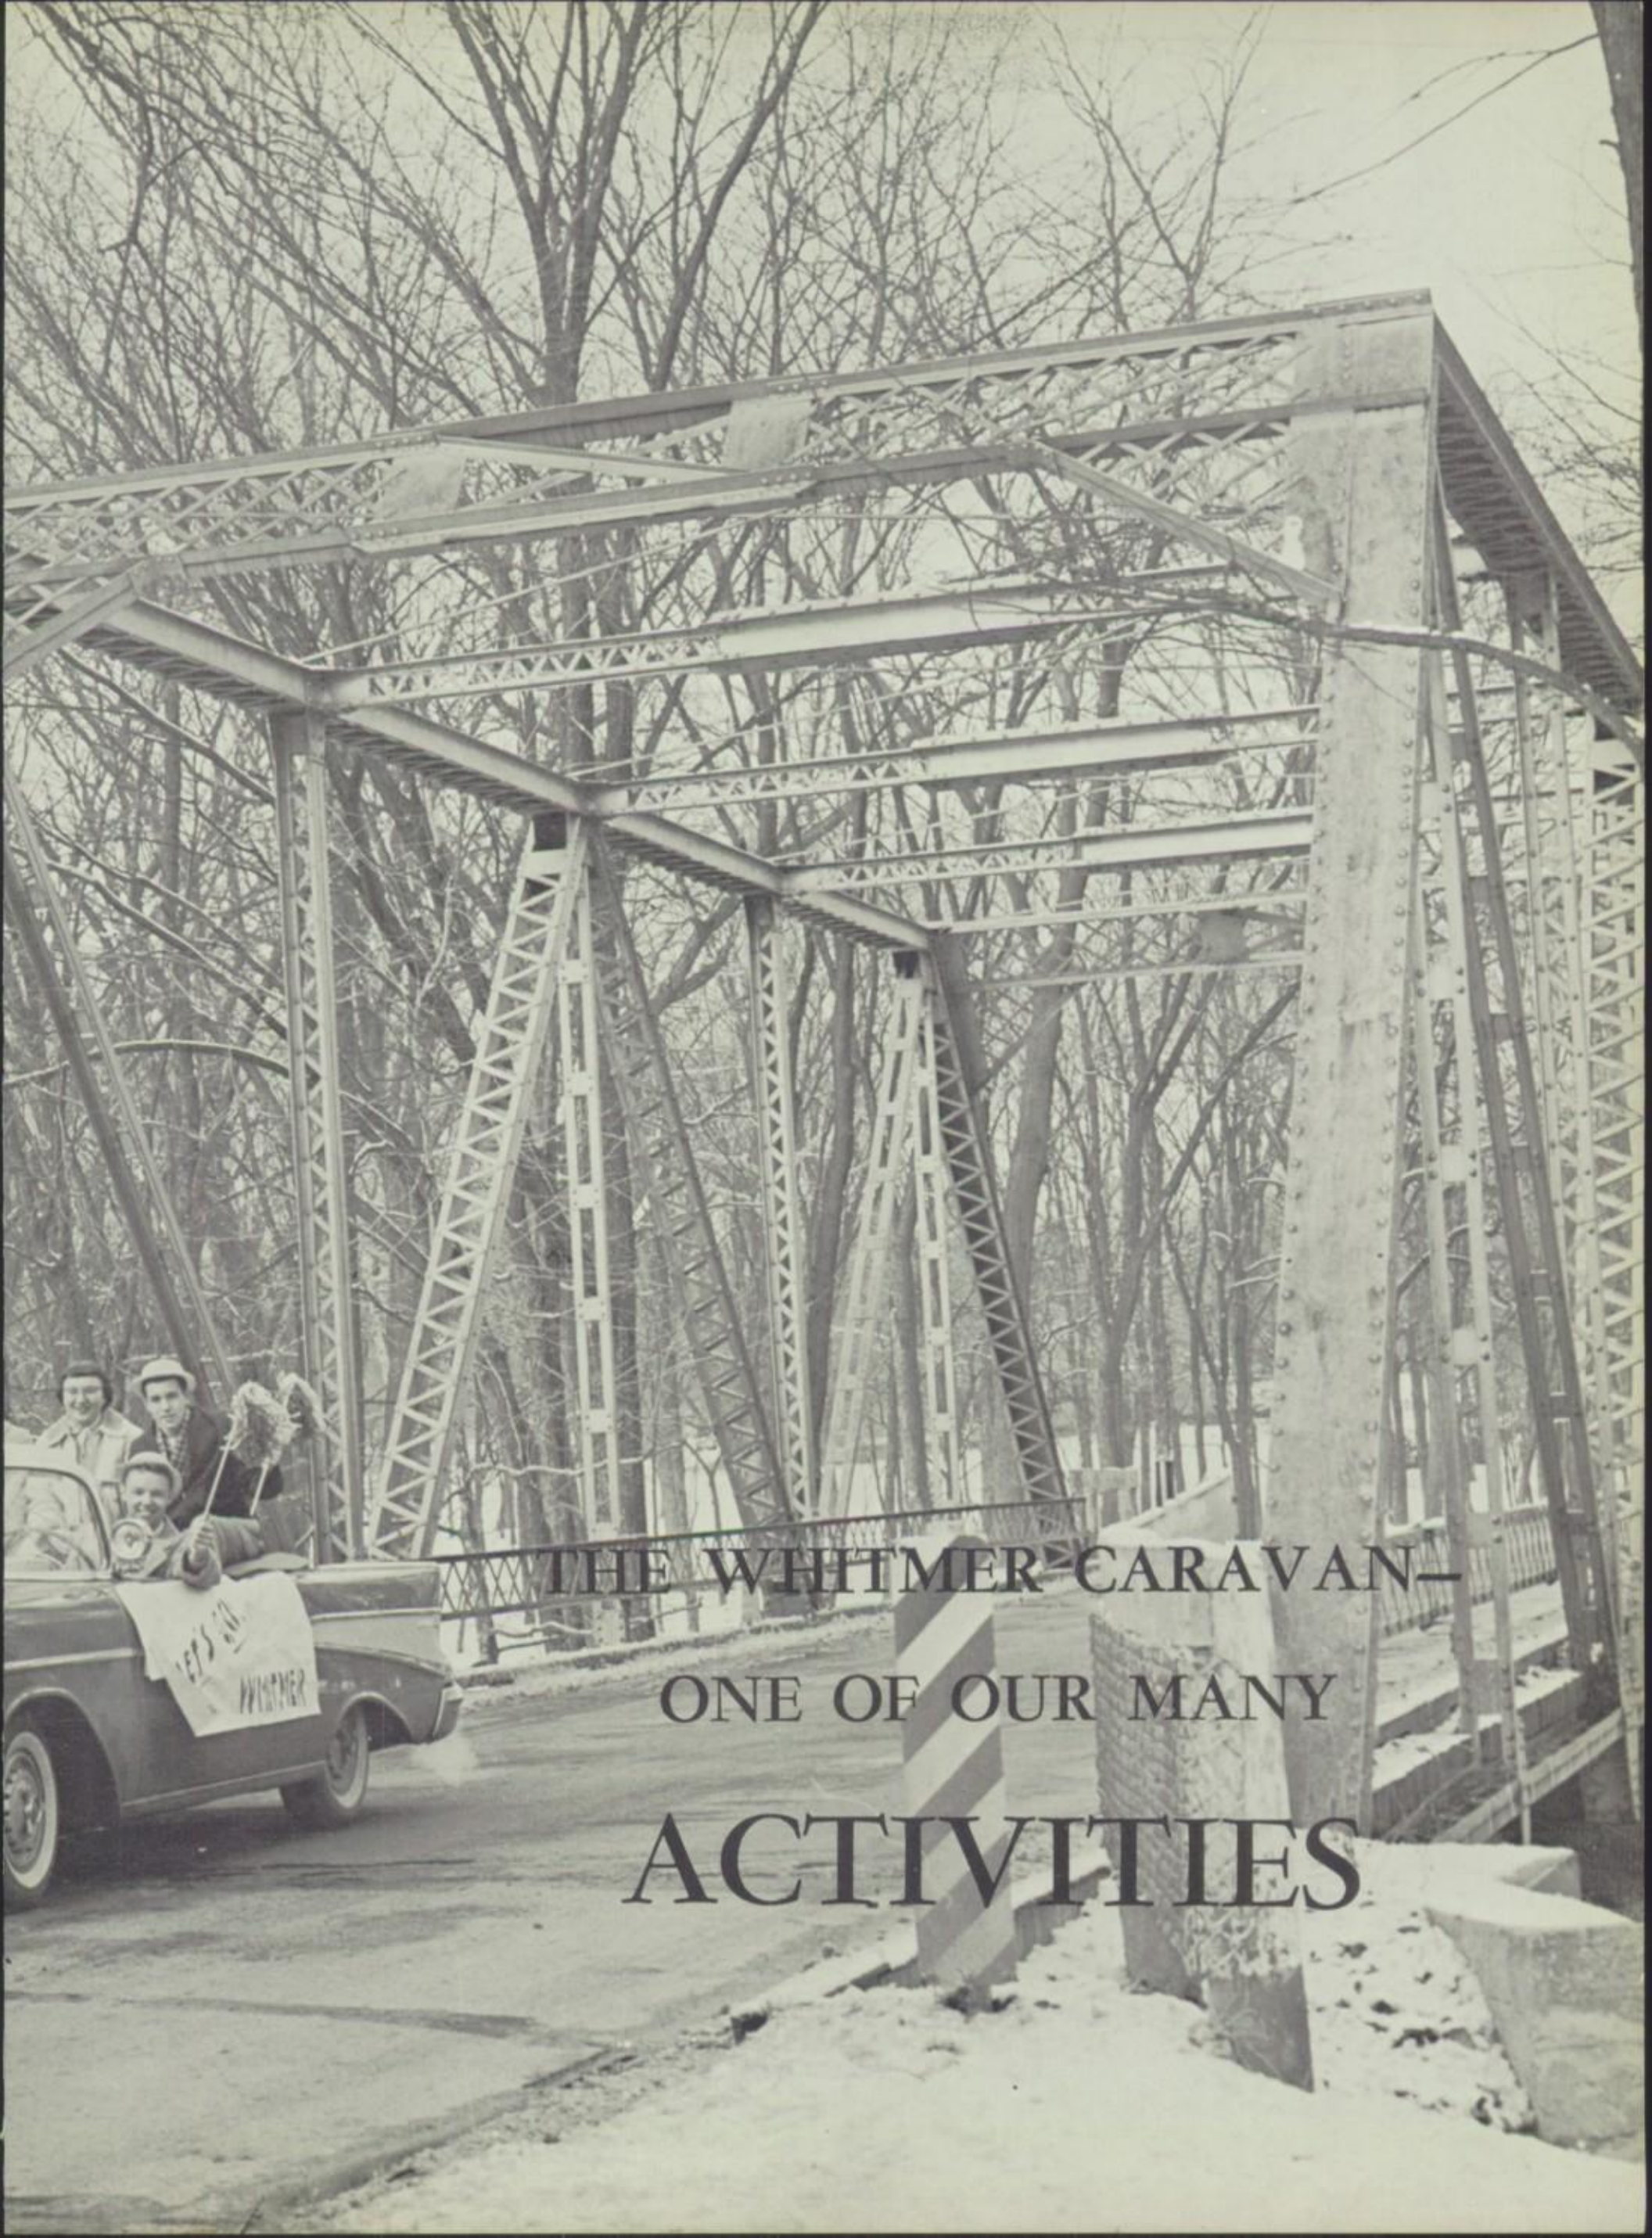

Don Weiler, Bill Boerst, and Marilyn Mauder examine a model of the frog in anticipation of the live frog they will soon dissect.

If you note a marked improvement in student conduct, whether in Whitmer's halls, cafeteria or school grounds, you may be sure that the Whitmer Student Council is to a great extent responsible.

The Sportsmanship Contest campaign to improve sportsmanship at Toledo area schools' athletic events was put into action at the first football game of the season.

In January, the Student Council with the aid of F.T.A. conducted the annual Student Government Day in which students took over the duties of the faculty and administration. Student Council presented the March of Dimes Talent Show. Members of our Council participated in the Teen-Age Polio drive, a project which was undertaken for the first time last

year by the area Council.

This year in Whitmer our Student Council introduced an orientation program to help newcomers to adjust to school life here.

Student Council sponsored our Homecoming Dance. Whitmer's Council was in charge of the decorating committee for the Toledo Area Student Council dance. Sharon Laney, President of our Council, was Whitmer's nominee for queen of this dance.

Bonnie Clausing, Whitmer's Student Council vice-president, is also secretary of the Toledo Area Student Council. Other officers are Donna Patrick, Secretary; Donna Korvas, Treasurer; and Mikie Richards, Corresponding Secretary.

**Row 1:** P. Fenn, P. Reisener, J. Huffer, S. Kron, J. Bryan, S. Laney, D. Bowman, B. Rahilly. **Row 2:** G. Godbey, P. Ziegler, F. Stewart, A. Hatch, D. Williams, D. Kellermeyer, J. Witte, L. Pool, T. Molik, B. Wheat, J. Stagg.

Officers of the court, D. Williams, B. Doty, J. Ansted, and L. Pool ready to open a Friday session.

"Do you swear to tell the truth, whole truth, nothing but the truth so help you God." "I do."

These are the familiar words that Whitmer's student jury hears every Friday morning. The student jury gives out summons to those people who disobey the rules of our school. The jury, as part of the student body, tries to help these students psychologically by imposing penalties according to the number of offenses that a student may have committed.

D. Williams swears in Don Kellermeyer.

## HONOR RATHER THAN HONORS

J. Stagg, E. Rule, A. Hatch, D. Williams, S. Hoagland, M. Rhoads, J. Ansted

A white carnation and a little blue ribbon signify that an important occasion has taken place at Whitmer. Every year, usually late in February, new students are inducted into the John Wallace Whitmer Honor Society. Only juniors and seniors are eligible and must have a 2.5 scholastic average. Those chosen must be of high moral character and have been of service to the school.

Our chapter of the National Honor Society was established thirteen years ago by the Whitmer Student Council. Soon after, Student Council was disbanded but was later re-activated by the Honor Society.

This year the tapping ceremony was held on February 25. Twelve juniors and fourteen seniors were chosen for membership.

**Row 1:** K. Bergstrom, S. Koester, B. Clausing, R. Kucera, D. Korvas, P. French, C. Heil, P. Parmelee, S. Doren. **Row 2:** L. Kuhn, S. Laney, J. Bryan, D. Bowman, C. Martin, C. Lassen, S. Kron, T. Molik. **Row 3:** G. Godbey, R. Houttekier, G. Kuehnle, D. Teal, J. Mallett, J. Bowers, B. Wheat, F. Stewart, L. Pool.

## SERVICE AND JOURNALISM

**Row 1:** T. Brennan, D. Knepper, R. Wheat, P. Mann. **Row 2:** C. Dallas, M. Whitmill.

I Timothy 4:12. "Let no man despise thy youth; but be thou an example of the believer." This is the theme of Whitmer's Bible Club. Every morning our school day is begun in silence and reverence with a prayer by a member of the Bible Club. This club is dedicated to students of all religious faiths. Officers must carry a Bible with them at all times

They also must maintain a B average in their studies. Every year the members enter a Bible quiz contest which is sponsored by Youth for Christ. Those who win enter the semi-finals held at Detroit and the finals at Winona Lake, Indiana. The top prize is a trip to the International Youth for Christ headquarters in Copenhagen, Denmark.

Quill and Scroll is not just a local organization but is a chapter of the International Honorary Society for High School Journalists sponsored by Northwestern University. The Whitmer chapter was named for the late Grove Patterson, editor and columnist of the Toledo Blade. It is now in its ninth year at our school. To become a member a student must prove his ability as a writer either on the "Flying W", the "Oracle" or publicity staff.

**Row 1:** D. Hemming, S. Faller, S. Hines, B. Morrow. **Row 2:** C. Heil, P. Reisener, K. Hehl, L. Regnier, B. Riemenschneider. **Row 3:** J. Baronas, N. Schultz, J. Roper, D. Kellermeyer, T. Kochendorfer, G. Godbey, J. Baronas, Mr. Alvarado.

"Two thousand years ago"—is a phrase from one of the speeches given in the Prince of Peace contest. These contests are sponsored each year by the Ohio Council of Churches. When a student is a winner in a local contest, then he is eligible to speak in the district contest. If he wins here, he is able to speak in the county contest, then in the State contest. This year Whitmer was honored with four winners in the local contest.

**Joyce Bischoff**—Trilby Methodist, 1st. place, local

## THEIR PRIDE

**Row 1:** J. Stagg, G. Godbey, D. Jeffrey, B. Montgomery, H. Bennett, J. Ansted. **Row 2:** B. Rahilly, D. Bowman, J. Bowles, S. Hoagland, N. Schultz, J. Bryan, C. Behr, Mrs. Lewis, Advisor. **Row 3:** D. Apling, D. Williams, D. Yokum, D. Kellermeyer, J. Conover, T. Ward, J. Mallett.

"Speech For Us" is the motto of the Masque and Gavel club. Membership in this club is not hard to obtain. All that is required is that a student should have an interest in speech and have had some speech work.

People from Masque and Gavel are called upon to speak at lyceums and assemblies. This year they have worked hard and presented before the student body, "A By-Line For St. Luke" and "Comin' Around The Mountain."

Thespians is an honorary club at Whitmer. To belong, you must have had a role in a play and worked at various other types of dramatics. This club is also a National Honorary Club in all 48 States. The club motto is "Act well your part; there all the honor lies."

B. Rahilly, J. Bryan, N. Schultz, B. Montgomery, D. Jeffrey, J. Bowles, C. Behr, J. Mallett.

As Mrs. Lewis, faculty director, gave the final nod, the class of '57 presented its Junior Play. "The Bishop's Mantle" dealt with the problems that faced Hilary, the new rector, as he walked into the study of St. Matthews Church. Conflict arises when Hilary finds that the firetrap tenements he is seeking to abolish belong to his own senior vestryman. He is concerned with the poorer members of his parish as well as the wealthy ones. Even Lex, the girl he loves but who is afraid to become a clergyman's wife, feels he should not oppose his influential parishioners. There is tension throughout the play, but amusing situations and kindly characters serve as relief. Hilary does not retreat in his fight for his ideals. Bob Montgomery gave an inspired performance as Hilary, a man of courage, while Norma Meyer was very convincing as Lex, the girl he loves.

"Meet Me In St. Louis" is a play about the Smith family. Mr. Smith was offered a better position in New York. When his family heard of this, you would have thought the world was coming to an end.

Tootie and Agnes decide to do something to help them to stay. Their antics add much humor to the play. They are almost thrown out of town by the trolley people when Agnes props a dummy up in the middle of the tracks. Tootie tries to bite Mr. Dodge's leg. Then Rose and Esther throw flour bombs all over Mr. Duffey. In spite of all the family's pranks, Mr. Smith is offered a better job in St. Louis and everyone is happy because the family does not have to move.

Sharon Doren is at it again, attempting to bite Tom Kellermeyer's leg with Carol Behr and Bob Montgomery and her younger sister, Barb Utton, looking on.

Astonished are Tom Kellermeyer, Bob Montgomery and Carol Behr by the song being sung by Barb Utton.

Dick Nelson, Pam Fenn and Bonnie Rahilly keep up with world affairs.

A very active club at Whitmer this year was the Junior Council of World Affairs. Everyone had a wonderful time at the Pigskin Parade, the after-game dance sponsored by this club. The members were very busy at national election time conducting a mock presidential election. The students were given three days to register and two days in which to vote. Junior Council of World Affairs donated maps for the History department as part of its required project. Its members also gave twenty dollars to Hungarian Relief. The Area Junior Council of World Affairs planned an institute at the University of Toledo where speakers from various nations participated. This spring two members attended a national study tour in Washington and New York.

**Row 1:** W. Kutter, G. DeMuth, G. Norris, G. Noffke, K. Erwin. **Row 2:** A. Hatch, D. Hatch, B. Askren, T. Heisler, F. Stewart, R. Houttekier.

Chess is a game of strategy consisting of a regularly developed attack and defense. Whitmer's Chess Club aims to promote and stimulate worthwhile social relationships as well as to develop skill in the game of chess. Every week meetings are held around the city in which our members compete with other high school chess clubs. Arthur and David Hatch opened the door for Whitmer to compete with other chess clubs. In March the second annual Silver Knight Tournament was sponsored by the Y. M. C. A.

Whose move? Arthur Hatch asks Bob Askren and Bill Taylor.

**Row 1:** J. Putnam, C. Frontz, J. Roberts, B. Vrooman, C. Nelson, B. Montgomery, L. Van Drieson, S. Jones. **Row 2:** G. DeMuth, T. Heisler, B. Bowles, D. Eisinger, T. McDonald, R. Taylor, L. Selter.

American youth learn about business through the Junior Achievement program by actually running miniature enterprises. From these they gain valuable practice in the fundamentals of business. They learn the relationship between those who manage, those who labor, and those who supply the funds; they learn from experience the functions of capital management and labor as the essentials of private American enterprises. J. A. companies begin by deciding on a sellable product or service. To finance their company and production they sell stock. Each member serves as a board member, worker, stockholder and manager, thus learning the relationship of each job to the functions of their companies.

To interest high school students in teaching as a career is the purpose of Whitmer's Future Teachers. Through practical experience this group accomplishes much in learning about the vocation of teaching. The members help our teachers by doing clerical work for them. Visiting area schools and observing different classes helps to further their interest in teaching. On Student Government Day at Whitmer FTA members take over all the duties of the faculty. Among their social activities club members list a dance and a Mothers' Day Tea. This year they netted a nice profit from a bake sale. Awards were given to members who had fifty or more credits earned under the teacher they assisted.

Future Teachers all look as eager as their officers, Nan Schultz, vice-president; Sharon Doren, secretary; Judy Bryan, president; and Sharon Koester, treasurer.

The girls taking Home Economics courses feel certain that they will benefit directly by the knowledge obtained through the Future Homemakers Club. One year of a home economics course is required for membership. This year the members took a field trip to a dry cleaning plant where they learned what becomes of their garments after they have been checked in. They also visited Toledo's Art Museum where they gained further knowledge on color and design. Along homemaking lines club members gave a spaghetti dinner and sold popcorn at the athletic events. Whether they become housewives or career girls, FHA members know that they will have a sound knowledge of cooking, sewing and related subjects that will always come in handy.

F. Stewart, treasurer, seems to be telling an interesting story to Science Club officers, D. Hemming, vice-president; A. Baker, secretary; and president, Larry Pool.

Members of the Science Club have endeavored to further their knowledge of the scientific world through club activities. Reports, research work and discussions have proved both entertaining and educational. In order to join the club, a student must be taking a subject in the science field. This year members of the club sold shakers at the athletic events. At Thanksgiving they presented a needy family with a food basket. Every member looks forward to the annual Bowling Green project and field trip to which each takes his own project.

## FUN AT THE FAIR

Helen Hunt and Miss Brown make a last minute check of their brightly painted posters.

An interesting event at our school is the biennial book fair held by our librarian and library council of Whitmer. This year a circus theme was selected by Pat Matuszynski and Helen Hunt, co-chairmen of the fair.

Lively circus music in the background, gaily colored posters on the walls, stuffed animals and clowns playing pranks made the library an exciting place to be.

Students from Washington Township competed for prizes awarded for writing essays dealing with the topic of reading. The book fair is held to create an interest in books and reading throughout the community. Mothers from P.T.A. groups act as hostesses. Everyone is invited to browse through the latest books which may be purchased there. The proceeds from the sales of books go into a special library fund.

Students looking for a book to give for a Christmas present.

Jack Musson and Carl Gardner, as clowns, were a great source of amusement to the grade school pupils who visited the fair.

Topping Hi-Y's fun list was a hayride in the fall. Once a month the members are allowed to use the pool in the West Toledo Y.

Good sportsmanship and team work are the goals of the Hi-Y members. The Junior Hi-Y maintains the same high standards.

Together with the Hi-Y group, the Y-Teens assisted in the religious assemblies of our school. At Christmas, Y-Teens supplied the Lutheran Children's Home with Christmas cookies.

Y-Teens had fun too. Among the social events

were participation in the Y.W.C.A. Carnival at the Central Y.W.C.A. and the presentation of a candidate for the queen of the area Y-Teens dance. Their annual Christmas dance was an important event of the holidays.

# "DEEP SEA SERENADE"

Here come the royal couple, Queen Pam and King Tony.

We were fortunate in having our most recently married couples, Mr. and Mrs. Nightingale, and Mr. and Mrs. Lewis as our guests of honor.

Misty lights shone over the heads of Whitmer couples as they danced to the music of Paul Spor at our Junior Prom, "Deep Sea Serenade", on February 2 at the Secor Hotel.

At mid-evening the King and Queen of the prom were selected from among the many candidates. The ballroom was crowded as everyone watched the co-chairmen of the prom committee, Betsy Riemenschneider and Judy Muir, crown Tony Ward and Pam Fenn, King and Queen of the "Deep Sea." The happy King gave his pretty Queen a kiss as everyone applauded the winning couple.

Here we are dancing in a world of our own to Paul Spor's sparkling music.

Soft lights, sweet music, and pretty girls all add up to a dreamy, romantic evening.

## SENIORS CAPTURE TROPHY

On the senior float, our black Panther leaps for G.N.C. championship cup.

Linda Regnier, Sandy Greely and Judy Putnam display the trophy received for the winning float.

The air was brisk and excitement was everywhere as sirens sounded and constables started the annual Sideline Quarterback parade of floats, cars, and fire engines which ended in victory for the senior class. Merchants of our community displayed their advertisements on convertibles and jeeps. The crowd eagerly awaited the sight of the first float for this year was the first to have a football theme. The principals of our various schools came by waving from the windows of a school bus.

Everyone held their breath until the winning float was announced. This was the second year the class of '57 won the trophy. After the game, the senior HI-Y sponsored a dance in the girls' gym as a climax to a thrilling evening.

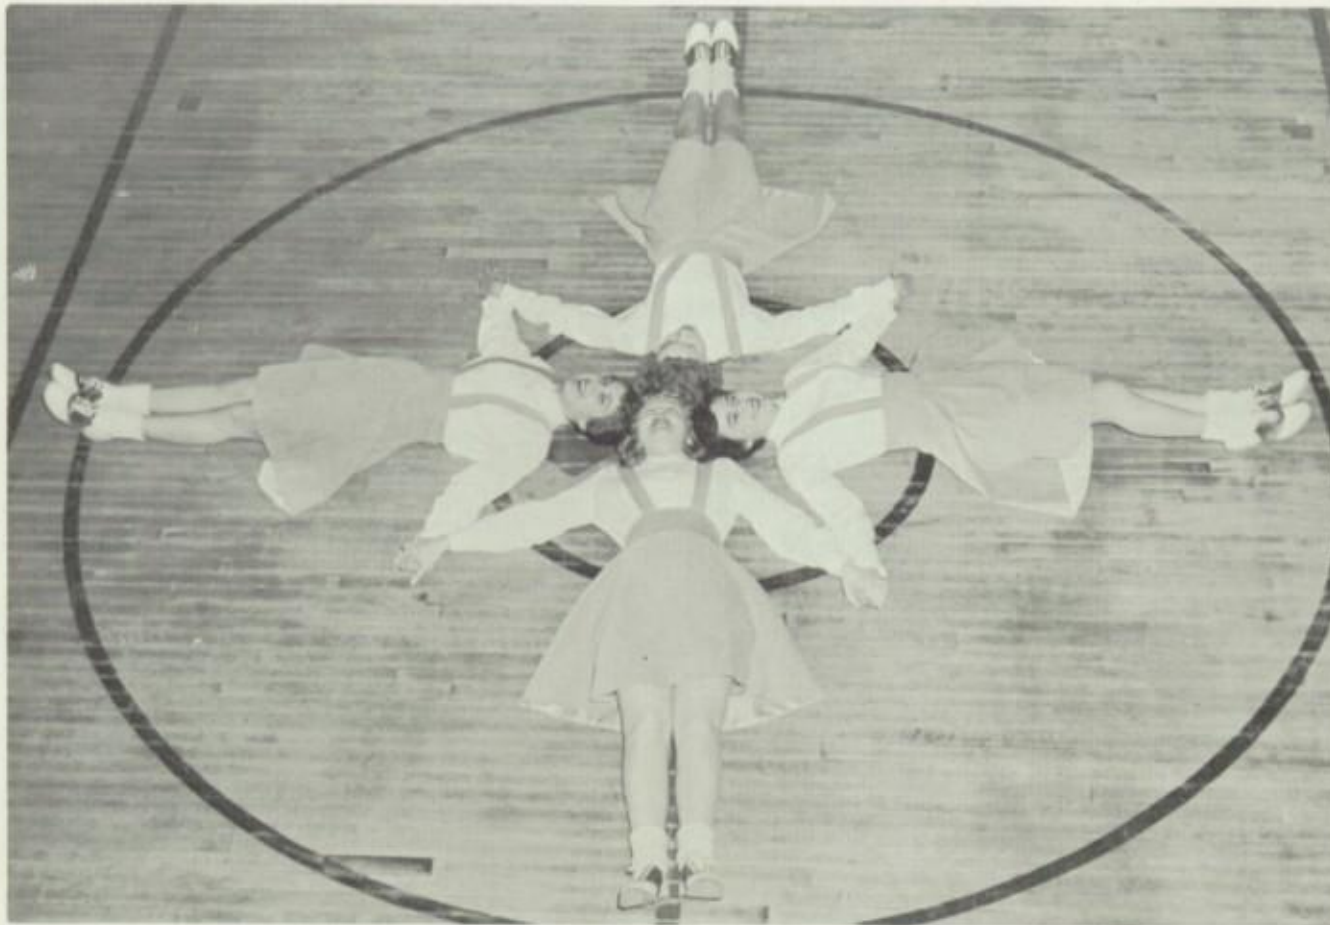

Donna Patrick, friend billy goat, and Pete Elson take a ride on the sophomore float.

The junior float gave a "Toast to the Team" as the theme of their float.

## CHEERLEADERS

Cheerleaders under the direction of Miss Eve Williams did a fine job this year in encouraging sound school spirit throughout our athletic contests. With the entreating voices of the cheerleaders and the response from the student body, we know why Whitmer's teams are full of fight and the determination to win. Our cheerleaders have done their best in the past years and will continue to encourage our teams on to victory.

## HERE COMES THE WHITMER CIRCUS!

Students show their creative ability.

It's circus time at Whitmer! Led by the Whitmer Panther, the "Speck" (circus language for parade) is made up of all the students who will appear some place in the acts of the circus. The various acts show the importance of timing, co-ordination, and co-operation. Mr. Stacy, a strict ringmaster, always stresses discipline and exactness. A variety of rolls, kipps, and springs are combined in the tumbling exhibition. This year was the first to attempt co-ed on the box and horse. Modern dance, relay teams, rope climbs, a drill team composed of the tallest girls of the student body, and trampoline work all make the circus an exciting highlight of our school year.

The famous pyramid ladder requires co-ordination and quick thinking.

The drill team performs one of its precision movements.

# HOMECOMING HIGHLIGHT

Queen Sharon Laney flanked by her attendants, Donna Patrick and Janice Kish.

Tom Molik is being very careful of Queen Sharon's lovely gown.

The crowd waited with eager anticipation as the cars drove slowly around the football field. Everyone held their breath as the cars pulled to a halt and co-captains, Tom Molik and Bailey Stanbery, greeted the homecoming candidates with bouquets of bright yellow chrysanthemums. Bailey escorted the queen's court, Janice Kish and Donna Patrick to their seats. Miss Donna Gallup, last year's queen, placed a crown of blue and gold on the head of Whitmer's Homecoming Queen of 1956, Miss Sharon Laney.

Bailey Stanbery seems more nervous than on the football field as he hands Donna Patrick her bouquet.

## STUDIOUS ATHLETE EARN AWARD

The Dale Crow trophy being admired by Richard Stagg and Principal Harvey Davis.

Dale Crow, in whose honor the trophy is given.

In 1956 the recipient of the Dale Crow Memorial Trophy was Richard Stagg, a boy, who in the words of Mr. Stacy, "was a gentleman as well as a scholar and an athlete."

During World War II a young man from Whitmer lost his life during a flying mission over Wake Island. This young man had been a student at Whitmer where he excelled in athletics as well as his studies. After graduation from our school, he attended the University of Toledo where he again showed his natural abilities in sports and scholarship. After his graduation from college in 1939, he returned to Whitmer to teach for two years. He joined the Naval Air Service in 1941. This young man was Dale Crow in whose honor the Dale Crow Memorial Trophy is presented every year to the Whitmer boy who is outstanding in athletics and scholarship.

The awarding of the trophy began in 1946 with Neil Ziegler the first to receive it. He was followed by William Johnson in 1947; Donald Perkins, 1948; Larry Yargar, 1949; David Whiteaker, 1950; Raymond Booth, 1951; Allen Mortemore, 1952; Bernie Mustafaga, 1953; James Henley, 1954; Jack Clifton, 1955.

Dick Stagg, who was honored with the trophy for 1956, was a perfect example of a boy with good athletic ability plus a fine academic record. In his senior year Dick was the valedictorian of his class, as well as the state champion of his weight class in wrestling.

In addition to being on the wrestling team for three years, he was also on the baseball team for the same period of time. As was stated before, the highlight of Dick's career was when he won the state championship for the 103 weight pound class at Cleveland in 1956. As a baseball player his position was that of a second baseman. He had one attribute that made him outstanding and that was his ability to fight and hustle. He never was a quitter and could always be counted upon to do anything in championship style.

Whitmer's reserve team of 1956 ended its season with a 54-0 win over Fostoria and thus tied with Clay for the G.N.C. championship. The team was under the capable leadership of Frank Erme. The league record of the team was three wins and one tie. The overall record was five wins, two losses, and one tie. The reserve team was the victim of

Scott, 13-0 and Woodward, 12-6.

The team's big game was with Clay, a game which decided the G.N.C. championship. The contest ended in a score of 0-0 and thus both teams having lost no other league games tied for the title. The squad showed fine spirit and hustle and should make a fine varsity team in the future.

The varsity football squad of 1956 finished its season in second place in G.N.C. The league record of the Panthers was four wins and one loss. The record of all games was six wins and three defeats. The Panthers non-league setbacks came at the hands of the Waite Indians and Woodward Polar Bears. Their non-league victories were over Bedford and Defiance. The team had a chance to win the title up to the last game of the year. This battle was with the Sylvania Wildcats and despite good playing by Whitmer, the Wildcats were victorious 14-2.

The boys were coached very well by head coach, Vern Smith and his able assistants. Coach Smith and the returning boys are looking forward to capturing the G.N.C. title next year.

the season was over, the team sent five of its members to the district meet. Those boys were John Graves, Dick Tattersall, Dave Hamilton, Orval Herzig, and Jim Vischer. Of the five, John Graves qualified for the state meet.

## IN THE GREAT NORTHERN LEAGUE

Bill Herring drives in for a lay-up.

Dick Tattersall takes a jump shot.

The Whitmer High basketball team after having won two sectional tournament games was eliminated in the third game by their arch rivals, the Clay Eagles. The only loss that Clay suffered during the regular season was a 48-39 setback at the hands of our own Panthers.

Whitmer's regular season record was seven wins and nine losses and in tournament play their record was two wins and one loss. Thus

the over-all record of the team for the season was nine wins and ten defeats.

The Panthers lost five out of their first seven games and were a little slow in starting, but after that seventh game the team really picked up speed and they won seven of their last twelve games. Coach Conroy has six of his twelve man squad returning for action next year.

Jim Stagg and Managers Bob Vrooman and Dave Neal.

The Whitmer High Varsity Baseball team ended their season in second place in the G.N.C. race. The team had a league record of four wins and two losses and an over-all record of six wins and four losses.

Fine pitching by Tom Kochendorfer and a good job of catching done by Bob Bensch was an important factor in the success of the team. Much credit must also be given to the boys who played the outfield and infield, because without their help the

team could not have succeeded. The members of the outfield were Frank Doniere, Bill Dangremond, Dudley Williams, Vaughn Hammye, and Ed Foley. The standouts in the infield were Dave Alt, Jay Torok, Dick Stagg, Bill Helsel, Jim Ekleberry, Ray Marvin, and Dick Reighard.

plenty of spirit and fight. The boys' were always trying and they made many a fine play. Varsity coach, Donald Stacy, is counting on the boys to fill the vacant varsity positions that were created by graduation.

# SPORTS FOR EVERYONE

**Volleyball:** Up and over the net!

G.A.A. promotes girls' athletics and good sportsmanship. In order to become a member, a girl must join in her sophomore year and to remain in the club, it is necessary that each member participate in at least three sports and receive three credits.

This year G.A.A. girls started off with hockey and archery. In November when the weather became cold, volleyball and table tennis were taken up. Basketball and badminton were the sports for February and March, while April and May brought shuffleboard and softball. Hockey was an interscholastic event in which G.A.A. competed with Perrysburg and Maumee Valley high schools. Whitmer girls also played volleyball with the girls of Rogers High School.

G.A.A. had social events too during the year. Initiation of new members was held in the Werner's Corners school gym in November. A skating party and a splash party were held in February and March. The long-awaited banquet at which awards were given was part of the May program. The girls prepared a basket for a needy family at Christmas and sponsored a bake sale at the Miracle Mile to raise money for their treasury.

Sharon Laney is President of G.A.A., Linden Kuhn, Secretary, and Sue Kreutzfeld, Treasurer. The heads of sports are: B. Wagner, hockey; M. Warren, archery; J. Meredith, basketball; C. Behr, volleyball; S. Doren, table tennis; C. Lengel, bowling; P. Reisener, shuffleboard; S. Huber, badminton; S. Paquette, softball.

## Glass Has Made A Difference

Now is the time to reflect upon the "good ole' days" in school—the many friends, your favorite teachers, sports and dances and parties. But when looking at today's school architecture, we think you'll agree that glass *has* made a difference!

Here's picture-proof that school corridors don't have to be dark and dreary tunnels. No longer must walls be solid and opaque. Today, more attention is being paid to daylight and view.

When reflecting upon the advantages of this glass age, we think you'll agree that the "good *new* days" are better.

Dear Paula,

I can't begin to say all the things I would like to except that you're tops in my book!

We've had lots of fun working and playing together in our first year at Whitmer. We'll always

to a real cute girl with a nice personality.

Good Luck

Judy Hammond

treasure our memories of our good old Almsmates.

Congratulations for getting Head

of Shuffleboard. I'm sure glad you got it and I know you'll do a good job! You've made a wonderful Pres. of L & and you've worked hard to make everything you're (cont'd below)

Paula —

Your personality is wonderful, so full of fun - also understanding for others. I don't have to wish you luck because you don't need it. So is doing I hope I will always be a friend of yours.

Joy Dawn

connected with a success. We've had many a good time with our crowd at parties at the lunch table (where we eat such delicious(?) meals), and everywhere else we get together.

I look forward to many happy days with you this summer in Kansas, in the coming years at Whitmer, after that at BGSC, and for the rest of our lives.

Love, Lou

To the cutest little sophomore and the one with the nicest personality at W. N. S. Good Luck always, Penny Erwin

Susan, Gayle Saalger 56-57

Paula, You are one of the few people I respect above all others. You have the intelligence & personality to go very far in this here world. I've had so much fun this year and I owe it all to you and our sweet crowd. I've really enjoyed being your friend & I hope it will continue for a long time!

Dear Paula,

It has been a great year as usual for you. Of course by now I'm getting used to it. I've enjoyed my lunch hours with you and the gang but I would have enjoyed it more if the food had been better. One thing that I've accomplished this year besides "Bill" was the learning of Spanish. Now you're not the only going around like a chicken with its head cut off wondering how you're going to pass that darn Spanish test. Yes it's been a great year for the both of us. You with Geometry and me with Biology and the both of us with Spanish Ugh! Lots of luck with Dale this summer and I'll be see'n you next year.

Love,

Jane  
Cabbage  
(the kid)

To Paula,

Who is, I'm sure, the nuttiest member of our gang, the chairman of our assembly, (?) the most lovable woman, the hardest worker, the one who is always thinking of others, the fellow Spanish sufferer, the gal with so much faith in people, the one who, as Jane says, suffers a chronic case of food poisoning with the rest of us, (chocolate pudding anyone?), the neatest locker partner anywhere, (there's nothing wrong with me!), the bubbly one with so much on the ball, you'll find her anywhere there is someone to be comforted, hard work to be done, or a general commotion. (which she is probably in the middle of). She'll make herself near to your heart then hit you with a Geometry book. We all love her. What can I say? To a wonderful little bundle of energy. Good Luck Always,

Love Ya  
Chris
